

**TOKEN REGISTRATION FOR PHYSICAL EDUCATION CLASSES
in the winter semester 2023/2024**

starts on the 25th September 2023 at 9.00 a.m.

and finishes on the 15th October 2023 at midnight.

PE classes start on the 3rd October 2023 although the registration will be open longer.

Physical education classes of 60 hours (2 x 30h per semester) are **compulsory** for **full-time first-cycle students** and for **uniform Master's students** and are **in a stationary form**.

DEAR STUDENT!

PLEASE CHECK IN YOUR STUDY PROGRAM WHEN PE CLASSES ARE SCHEDULED FOR YOU (WHICH YEAR AND WHICH SEMESTER) AND ENROLL FOR THE CLESSES ONLY WHEN IT IS APPLICABLE.

1. PE classes are compulsory and in a stationary form.
2. They take place once a week and are 90 minutes long.
3. At each faculty PE classes are scheduled on a specific day (see the table below). However, the date of the classes can be selected other than the time slots suggested in the table.
4. Students of **Tourism and Recreation, Sport Pedagogy** and **Physical and Health Education do not take part in the registration.**

ATTENTION!

1. Students who undertake studies **in the second field** may decide whether they want to participate in physical education classes and enroll in the classes, or, having completed the basic course, apply for the transfer of the subject grade. To do so, they are asked to write a suitable document in their dean's office. **They do not register for classes.**

2. The Department of Physical Education and Sport at the University of Lodz waives the completion of the course with a medical certificate. As part of PE classes, it creates conditions for participation in sports and recreational activities for people with various interests and levels of physical fitness, also for people who previously had sick leave for health reasons.

3. The student can choose one of the 21 disciplines ranging from intensive sports activities to pro-health classes.

4. A student with dysfunctions (posture defects, eye defects, chronic injuries, etc.), knowing their health condition, should choose classes prepared especially for them, e.g. health gymnastics, rehabilitation groups, yoga, relaxation exercises. In case of doubt, you can use the medical certificate form to obtain a doctor's advice on which classes the student should enroll in, or to which semester / academic year to transfer the classes. A form filled out by a doctor with the option to move classes to the next semester / academic year should be delivered to the DEAN'S OFFICE OF YOUR FACULTY. At the student's request, the form will be sent by e-mail (studiumwfis@uni.lodz.pl) or is available on the website: (www.swfis.uni.lodz.pl) in „Regulaminy i inne dokumenty” tab.

Please choose your classes deliberately as it will be NOT possible to make a change during the semester.
